

CAD Designer

LandWorx is an innovative, sustainable, community centric exterior design firm. We fill the gap that exists between an idea and successful project completion. We are a team that is driven by improving ourselves and our community. We try to embody our company tenets in everything we do: Ingenuity, Equity, Enrichment, Empathy, Reliability, and Authenticity.

We concentrate on design to create functional and impactful spaces for our communities, clients, and team members.

The successful candidate for this position will be involved in a wide variety of site-civil engineering projects including mixed use, commercial, institutional, and recreational. No two projects are ever the same and it is fast moving - you will likely get to see projects that you work on become realities. LandWorx will treat you as a professional who communicates well, wants to learn and grow in your profession, and fulfills your responsibilities. In return, we believe our employees should then be able to grab a long lunch, go to the dentist, stay home sick, take vacations, and support their chosen organizations without having to fill out six forms and approvals in triplicate!

Responsibilities may include:

- Preliminary layout and design
- Plan production
- Schematic Exhibits
- Construction site visits
- Client/ partner interaction

Benefits include:

- Flexible work schedule
- Competitive hourly wage
- Community-based team culture
- Gym Membership

Successful candidate will:

- Have strong AutoCAD skills
- Pass a timed drafting test replicating a basic site from a detailed PDF

Preferences will be given to:

- Civil 3D experience

- Survey or construction experience
- Experience with Photoshop or other graphic-based programs

Job Type: Full-time

Pay: \$50,000.00 - \$70,000.00 per year

Expected hours: 35 – 45 per week

Benefits:

- 401(k)
- 401(k) matching
- Dental insurance
- Flexible schedule
- Health insurance
- Life insurance
- Paid time off
- Professional development assistance
- Retirement plan
- Tuition reimbursement
- Vision insurance

Schedule:

- 8 hour shift
- Monday to Friday

Supplemental pay types:

- Bonus opportunities

Application Question(s):

- Preferred applicant will have experience in Civil 3D software specifically for private site development projects. Please list 2-3 projects that you have used Civil 3d to complete.

Work Location: Multiple locations
